

**AGREEMENT FOR PARTIAL PAYMENT UNDER THE
FOREST RESOURCES DEVELOPMENT PROGRAM**

This agreement is entered into the ____ day of _____, by and between the Mississippi Forestry Commission and _____, hereinafter referred to as the Landowner.

Due to circumstances beyond the control of the landowner, the Mississippi Forestry Commission agrees to provide partial payment to the landowner for site preparation work performed on the following described property, _____, under the Forest Resources Development Program (FRDP). The partial cost-share payment will be made upon receipt of the following documentation: 1) invoices for site preparation work for which reimbursement is sought, 2) an original signed agreement for partial payment, and 3) a completed Form 660.3 (FRDP Authorized/Completed Summary) signed by the County Forester. The deadline for requests for partial payment is _____.

The landowner agrees to plant trees, as described on Form 660.2, Cost Share Agreement, during the following winter. The landowner further agrees to reimburse the Mississippi Forestry Commission for any payments received, pursuant to this agreement, if the trees are not planted within this time period.

The landowner understands that the Mississippi Forestry Commission will not reimburse the landowner for seedlings already purchased for planting on the property. Additional tree seedlings will have to be purchased for planting in the next season.

The landowner further understands he or she will not be eligible for cost-share assistance for additional site preparation work that may need to be performed on said properties in conjunction with carrying out the tree planting.
