ABOUT THE FOREST LEGACY PROGRAM

The Mississippi Forest Legacy Program, a program of the Mississippi Forestry Commission (MFC), was created to protect privately owned forest lands with natural forest communities from being used for non-forest uses. The US Forest Service, State and Private Forestry Program, Forest Stewardship Program (CFDA 1066.4) provides up to 75% of the funds through a nationally competitive grant program to the state.

Through conservation easements or fee simple interest from willing sellers the Forest Legacy Program protects environmentally important forests threatened by conversion to non-forest uses within designed geographic areas, known as Mississippi Forest Legacy Areas. Unless fee simple interest is purchased, these forests shall remain in private ownership.

The Mississippi Forest Legacy Areas (FLAs) are:

Northeast - Parts of 6 Counties - Clay, Itawamba, Lee, Lowndes, Monroe, Tishomingo

Central - Parts of 5 counties - Copiah, Hinds, Madison, Rankin, Simpson

Southeast - 13 counties - Forrest, George, Greene, Hancock, Harrison, Jackson, Jones, Lamar, Marion, Pearl River, Perry, Stone, Wayne

Prior to completing this application, you are strongly encouraged to review the Mississippi Forest Legacy Program *Assessment of Need* (<http://www.mfc.ms.gov/forest-legacy>) for eligibility requirements and guidance on the program. Only tracts that are located in one of the designated Mississippi FLAs will be considered and must meet the national and state criteria and must have a completed application submitted by the August 15th deadline. Note that all easements and interests in land acquired through the program are conveyed in perpetuity and must contain such covenants and language to insure perpetuity of Forest Legacy Program easements. **Participation in Mississippi's Forest Legacy Program is strictly voluntary.**

For projects to be considered for federal fiscal year 2022, the deadline for application submittal is August 15, 2020.

All submitted materials with this application become the property of the State of Mississippi and are non-returnable. Disclosure of this information is voluntary. However, failure to provide all of the requested information will substantially decrease the ability of designated persons to properly review and rank your application and property for participation in the program.

The Mississippi Forestry Commission provides equal employment opportunity and services to all individuals regardless of race, age, disability, religion, color, gender, creed, national origin or political affiliation. This institution is an equal opportunity provider.

SECTION VIII. LANDOWNER TESTIMONY AND PERMISSION

Please read, sign and date before submitting this application.

The information in this application is true to the best of my knowledge and belief. I, as the landowner or landowner’s authorized representative (proof of authorization must accompany the application), agree to allow any needed inspection, appraisal and survey of the property being offered for consideration under the Mississippi Forest Legacy Program. I agree to allow members of the Mississippi Forestry Commission, the Mississippi Forest Legacy committee or their designee to inspect my property at any reasonable time for the purposes of this application. I understand I shall be notified in advance of all inspection visits.

I also understand that the resource values identified by me in this application for protection will be used by the Mississippi Forestry Commission to rank the project. Therefore, future protection and management of these resources are implied in the application and will be required in the easement (if applicable) and subsequent management plans. Substantial modifications of the intent set forth in this application by me or my representative will necessitate a review of the project and may jeopardize its selection and possible funding. I also understand that this property (i.e. conservation easement or fee simple title) will not be purchased if negotiations do not reach an amicable agreement, or if the property does not meet the needs or qualifications of the Mississippi Forest Legacy Program or if funding is unavailable. I understand that conservation easements or fee simple title will only be purchased from willing sellers.

I have read through the application and understand that all Forest Legacy projects will be reviewed by a committee for their suitability to the Mississippi Forest Legacy Program. Furthermore, that the Forest Legacy agreement is voluntary and subject to the availability of funds and the willingness of the State of Mississippi to accept the easement as negotiated.
